THE LODGE

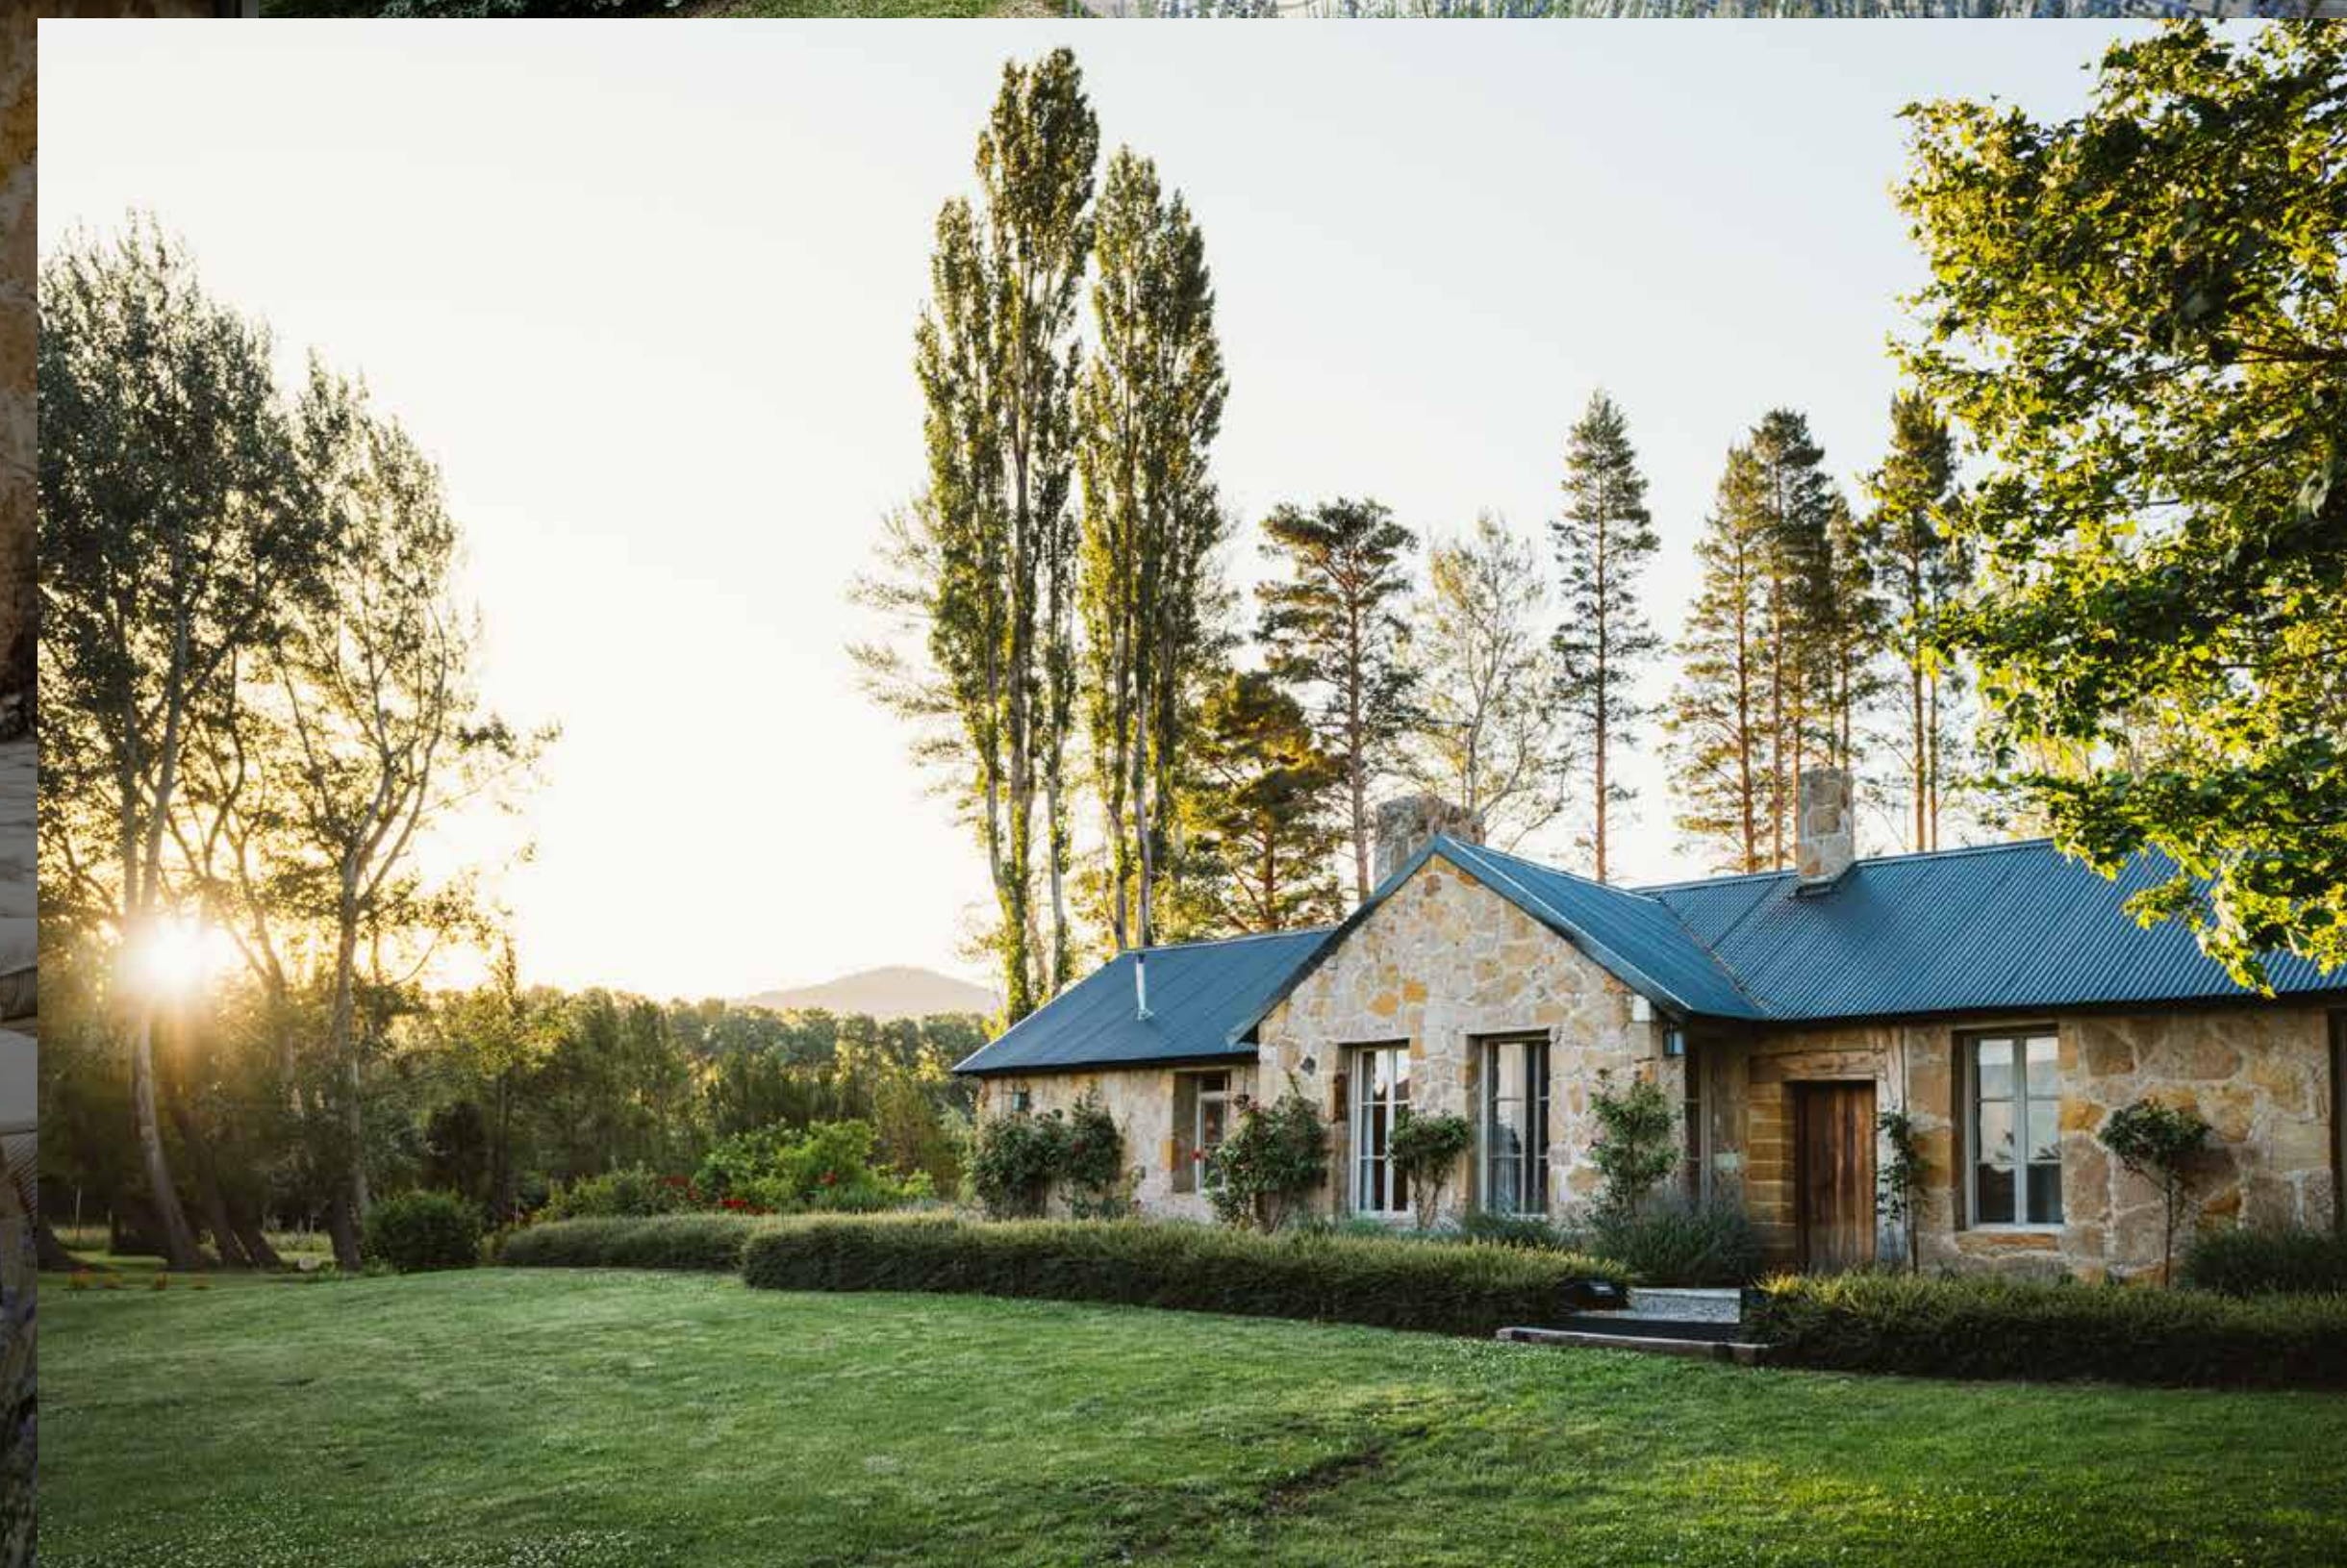

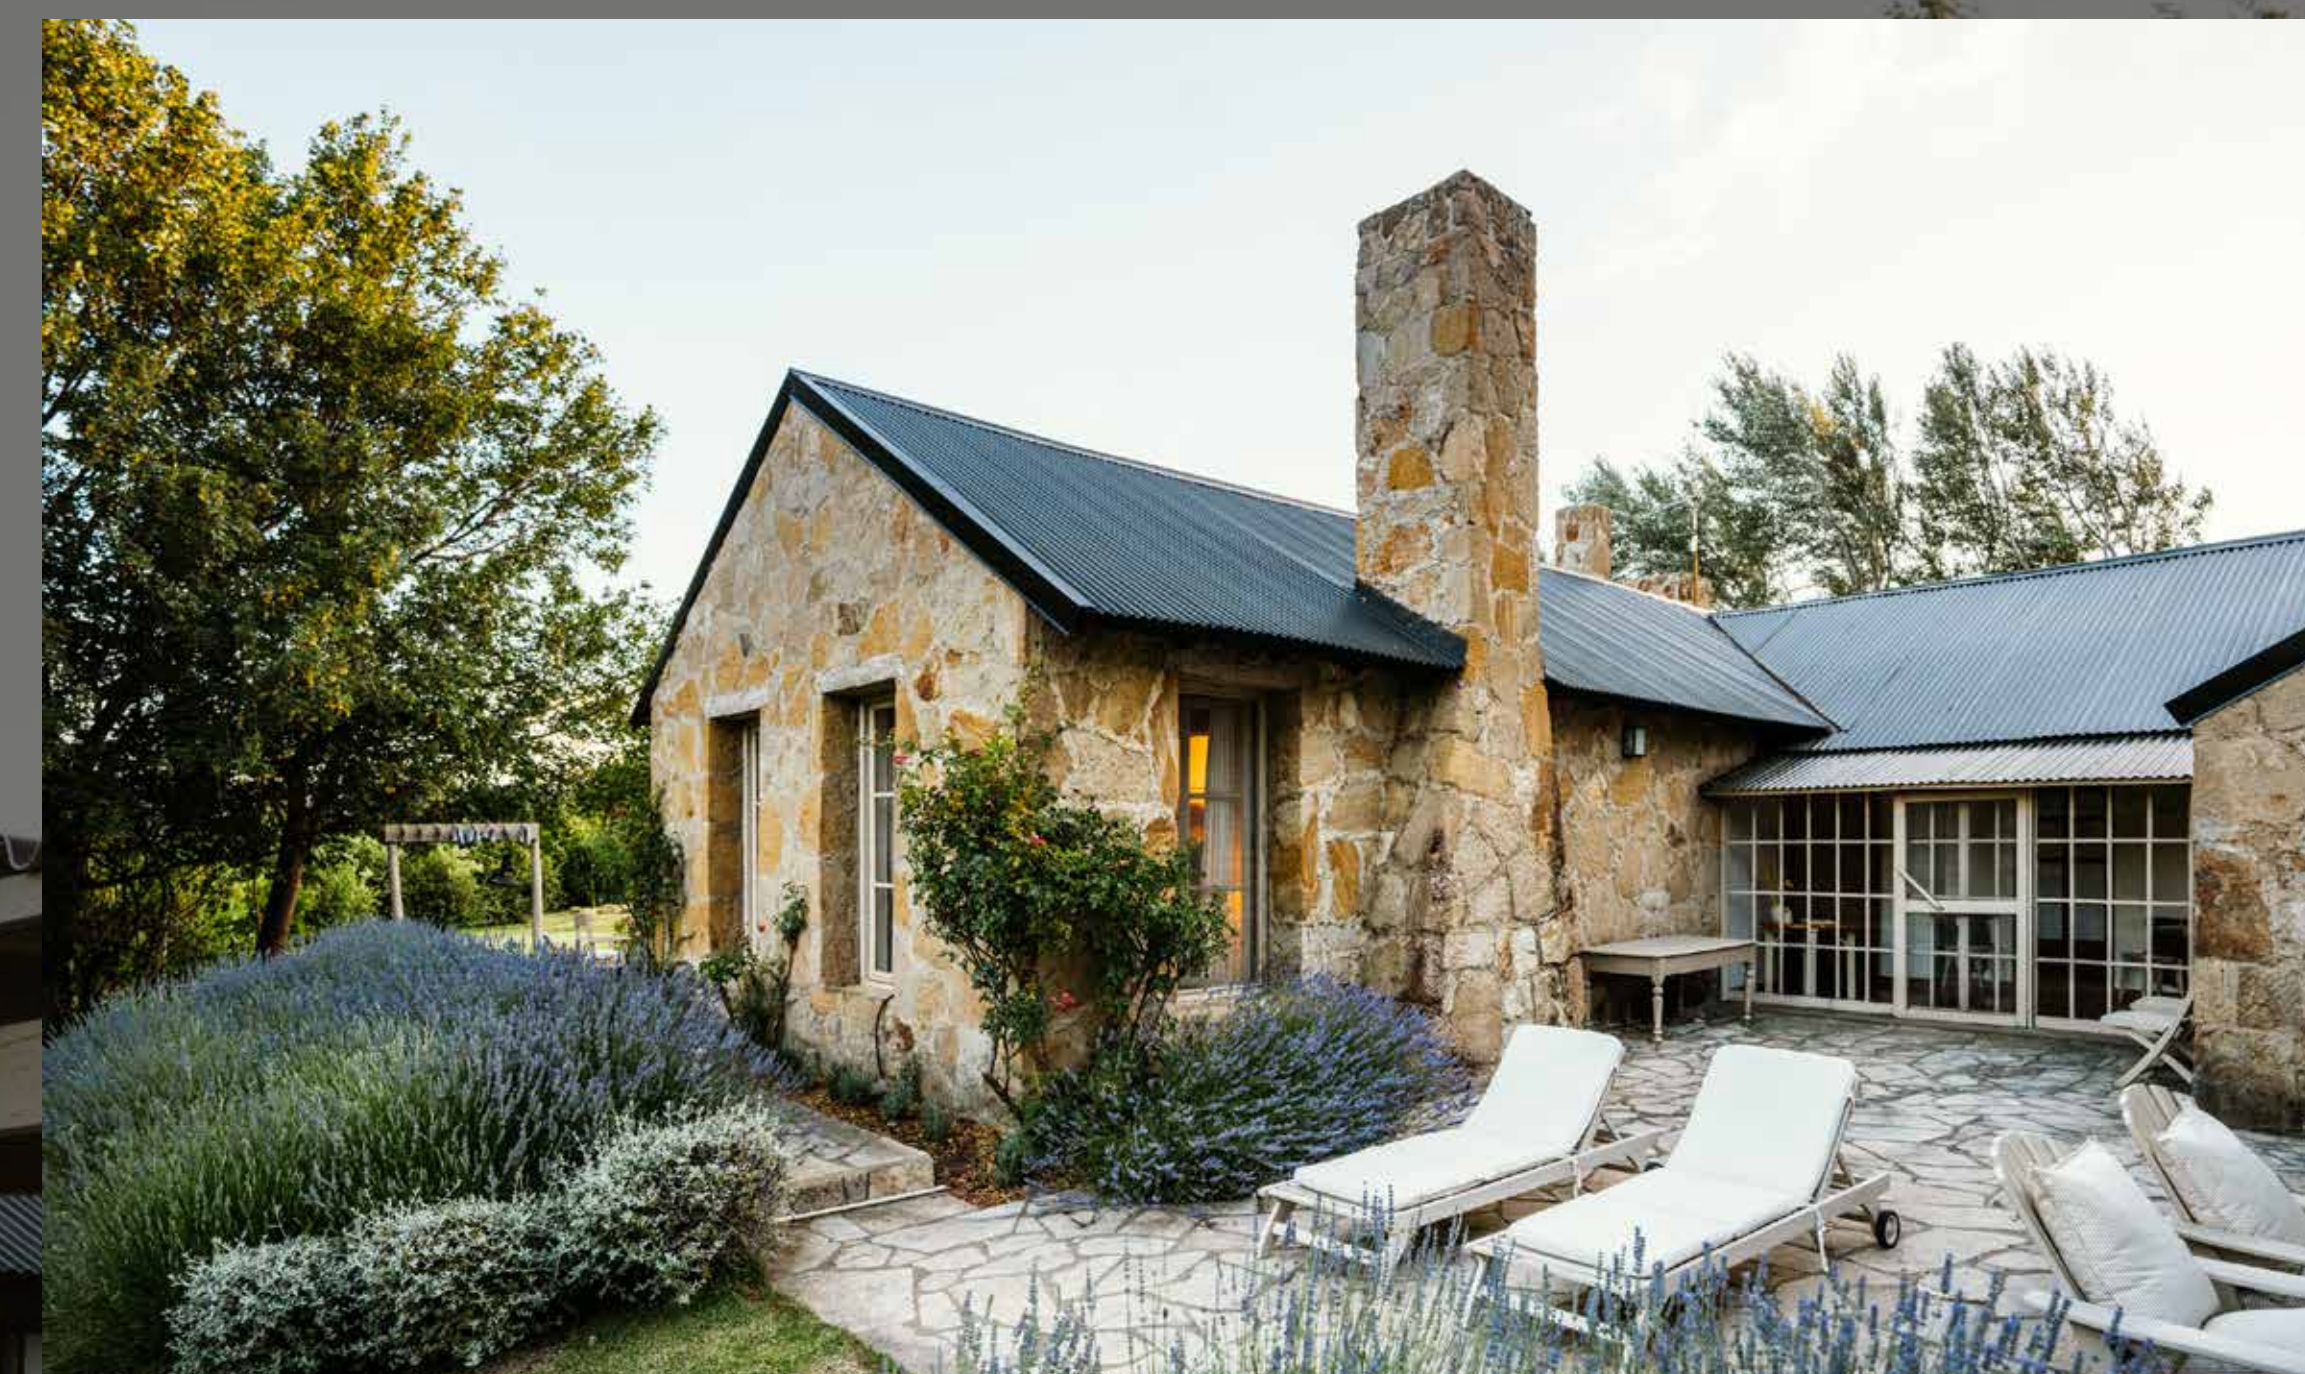

Exciting news is emerging from the renowned Chimehuin River. The major highlight for the upcoming season is the brand-new Puente Negro Lodge situated on the south bank of the Chimehuin River.

The lodge is an attractive "estancia" house featuring four double rooms with en-suite bathrooms, a spacious dining room, a cozy and tastefully decorated living room, a comfortable and charming veranda where guests can enjoy cocktails and camaraderie, and a traditional "asado" (bbq) area.

The lodge is conveniently located just a 10-minute drive from San Martin de los Andes Airport and a 25-minute drive from the town of San Martin de los Andes, making town visits and shopping excursions easily accessible.

From Puente Negro Lodge, you'll have the opportunity to float and fish three of the best stretches of the Chimehuin River, as well as fish stretches of other nearby rivers such as the Aluminé, the Collon Cura, and the lower Malleo.

It goes without saying that the location of Puente Negro Lodge is extremely convenient. When combined with all the aforementioned amenities, it ensures a successful and memorable trip, providing a true Patagonia experience for everyone.

Custom Itineraries

Every Patagonia Outfitters itinerary is fully customizable. With over 45 years of experience in organizing memorable fishing adventures in Argentina, our team is dedicated to helping you create the perfect itinerary. Some guests opt to spend their entire trip at Puente Negro Lodge, making the most of its convenient location. Others choose to begin or end their journey here, combining Puente Negro Lodge with stays at one or more of our partner lodges and estancias, overnight camping trips, or other non-angling travel experiences in Argentina, such as wine-tasting in Mendoza or touring the famous Iguazu Falls.

All of our trips begin or end with domestic flights from Buenos Aires to either Bariloche or San Martin de los Andes. We will meet you at the airport and take care of you for the duration of your stay with us in northern Patagonia.
